Waseda students must complete a Bachelor (Hons) within the 2 years they are at National University of Singapore (NUS). Students enrolled in this DDP are required to maintain a minimum **Grade Point Average (“GPA”)** of 4.0 on the 5-point scale used by NUS throughout their NUS candidature

Students enrolled in the NUS Bachelor of Science or Bachelor of Arts / Social Sciences and NUS College will read a total of **160 Units. 72 Units** (credits but not grades) read at Waseda will be used to satisfy Bachelor (Hons) degree requirements as detailed in the subsequent points below:

- **Major Requirements:** Of the **60 Units** of major (as listed in the Faculty website), students can map up to **12 Units** read at Waseda (before coming to NUS) towards their major in NUS (subject to approval), and read a minimum of **48 Units** of major in NUS.
- **NUSC/CHS Commons Curriculum:** Of the **48 Units** of NUSC/CHS commons, students can map up to **12 Units** read at Waseda towards NUSC Commons (subject to approval) and read the remaining **36 Units** in NUS.
- **Unrestricted Electives:** Of the **52 Units** of UE, students can map **48 Units** (credits but not grades) from Waseda to NUS, and will read the remaining **4 Units** in NUS. Students can still map to UE space even after they have returned to Waseda after spending 2 years at NUS.

- 7 out of the 11 CHS common curriculum courses required of Bachelor of Science or Bachelor of Arts / Social Sciences are fulfilled upon completion of the NUSC courses except for the following majors who will take their major course(s) to fulfil specific NUSC requirements:
 - **Statistics:** ST1131 in place of Reasoning with Data
 - **Data Science and Analytics:** DSA1101 in place of Reasoning with Data, CS1010S in place of Computational Problem Solving
 - **Data Science and Economics:** DSE1101
- NUSC courses can be mapped from Waseda (subject to approval).
- Students are required to fulfil a minimum of 60 Units of Major requirements at NUS and can map up to 12 Units from Waseda (subject to approval). Students will read these additional courses in NUS if they are unable to map the Waseda course(s) towards their NUS Major.
